

**South Point Homeowner's Association Inc.**  
**Neighborhood Watch**

South Point Subdivision's Neighborhood Watch is an important committee for all residents to become actively involved. In displaying the Neighborhood Watch stickers in their windows and doors, South Point residents send a message to potential criminals – we WILL NOT tolerate crime in our neighborhood – we are watching you!

The NW program needs residents to act as Block Captains, provide Safe Houses for Children, and conduct routine patrols. These actions will help ensure the safety of our homes, families, and neighborhood. The NW needs at least 50 to 60 residents to act as Block Captains, who would be responsible for alerting their neighbors in the event of a safety issue or emergency. Stay-at-home parents are asked to consider opening their homes to endangered children by becoming Safe Houses. And retired residents who are willing to give an hour per week of their time are also needed to conduct routine patrols to canvas the neighborhood for safety issues or concerns.

Please give serious consideration to offering your assistance. We want to continue in our quest to make South Point Subdivision not just a neighborhood, but a community! As a community, let's come together to ensure we keep our neighborhood a place where everyone feels safe and secure.

Meetings are held bi-monthly to discuss the particulars of the program, current concerns, and answer any questions. Additional information is available on our website [www.southpointsubdivision.com](http://www.southpointsubdivision.com), and you can e-mail us at [nwspha@gmail.com](mailto:nwspha@gmail.com) with your questions or concerns.

Please take a moment and complete the bottom portion of this notice and return it to the address noted below.

Thank you for helping to make our neighborhood and community even better!
